

# Expedition

Up to 1000 miles  
range at 7 knots!

SEE BACK COVER FOR DETAILS.

**Mainship**  
TRAWLERS

One of the hallmarks of the Expedition is its open, airy salon area – perfect for entertaining, or for relaxing on extended cruises. The optional Everwear laminate flooring is durable and beautiful.

Above: The queen-size island centerline berth features a comfortable innerspring mattress.

Right Top: Featuring two twin berths and generous cedar-lined storage, the guest stateroom provides comfortable lodging for your guests or crew.

Right: The galley is full-featured, just right for gourmet meals during long leisurely cruising.

Far Right: The head features a full stand up shower, Corian countertops and low maintenance, easy to clean materials.

Above Left: The Expedition's lower helm is perfect for conning the yacht during inclement weather

Above Right: The flybridge of the Expedition is expansive, and alfresco dining is a snap with the available Summer Galley. This option includes a Magma® propane grill, stainless steel sink, and icemaker.

Right: The flybridge helm offers plenty of real estate for your electronics. Optional colored hull pictured.

Garmin electronics are available on all 2009 Mainship trawlers.
